

LYA Youth Basketball

2018-2019 Registration is Now Open!

Deadline: October 31st

Pre-K & K and Grade 1 & 2 House Leagues

PreK & K and Grade 1 & 2 leagues run for 1 hour each week on either Saturday or Sunday afternoons. Emphasis is on instruction and teaching the kids how to play the game, work together, and build confidence. The season will begin the weekend of December 1st/2nd, with skill clinics. Specific dates and times for the clinics will be sent out during the first week of November.

Grade 3-8 House Leagues

The house leagues for grade 3-8 are divided into the following 4 divisions.

- Grade 6-8 Girls
- Grade 3-5 Girls
- Grade 6-8 Boys
- Grade 3-5 Boys

House league teams play one game each week and practice once a week at another time to be determined. This is a competitive league setting with an emphasis placed on skill development, sportsmanship, and teamwork. Games will begin during the first week of December, and seasons will conclude just before February break (weather permitting). Information will be sent out during the first week of November regarding when practices will begin.

Travel Teams

The LYA sponsors travel teams in each of the following 6 divisions.

- | | | |
|-------------------|-------------------|-------------------|
| ➤ Grade 7-8 Girls | ➤ Grade 5-6 Girls | ➤ Grade 3-4 Girls |
| ➤ Grade 7-8 Boys | ➤ Grade 5-6 Boys | ➤ Grade 3-4 Boys |

Travel teams require a far greater commitment than house league with 2 practices each week and games/tournaments on the weekends in addition to house league commitments. It is also a more competitive setting and there may be cuts for each team. Players must play in the house league to be eligible to play travel. If you are interested in having your child play on a travel team, please indicate that on your registration in the space provided.

Help Wanted

Do you have an interest in coaching, being a referee, running the clock, or helping coordinate a division of the house league? If so, please let us know on your registration.

If you have any questions, please contact lyahoop@gmail.com.
